Dear Steve

**RE: Level 3 Award in the Installation and Maintenance of Heat Pumps Systems
(Non-refrigerant Circuits) (QCF)**

As the Sector Skills Council for the Building Services Engineering sector, SummitSkills endorses the accreditation of the qualification identified, on the condition that the qualification,

- reflect the requirements of the industry's technical themes, regulations, working practices and relevant National Occupational Standards and
- provides a facility for individuals working in the sector to develop and/or enhance their Building Services Engineering skills and knowledge accordingly.

Yours sincerely

Graeme A Dryden
Development Manager
