**GATC Ltd - letter of support for BPEC Level 3 Diploma in Gas Engineering**

Dear Garry

I am pleased to be able to confirm our support for the above qualification.

The BPEC Level 3 Diploma in Gas Engineering is a qualification which we will be pleased to be able to offer to our learners. The qualification will provide our learners with an excellent understanding of the gas engineering standard's knowledge, skills, behaviours, technical knowledge and technical skills required to achieve the qualification.

It is estimated that this qualification will be delivered by our college to around 50 learners per academic year. The numbers anticipated should continue from year to year.

Kind Regards

J.A. Forrest  
Director
